

Cool Off theme song

Come on, come on, come on, what are you waiting for? Come on, come on, come on, who's knocking on the door? Come on, come on, come on, get on your feet and smile

Tell your friends it's time to get together
We're here to party and have fun, fun, fun
The sun is shining, it's a gorgeous summer
And it's hot, hot, hot
We've got to cool off

Welcome to our world, we made it just for you Keep your eyes open, there's so much for us to do Have fun, let your imagination fly

Tell your friends it's time to get together
We're here to party and have fun, fun, fun
The sun is shining, it's a gorgeous summer
And it's hot, hot
We've got to cool off

Tell your friends it's time to get together
We're here to party and have fun, fun, fun
The sun is shining, it's a gorgeous summer
And it's hot, hot, hot
We've got to cool off

Come on, come on, what are you waiting for? Come on, come on, who's knocking on the door? Come on, come on, get on your feet and smile
